

ASK ME ANYTHING

AMA is TechForce's Q&A: technicians upvote questions, your experts answer the top picks, and we share responses on our dashboard and social channels.

Host Bio & Photo

Users submit questions

*TF Admin will approval all question before they go live.

Network "up-votes" their favorite

Why Host AMA?

Showcase Expertise Answers the top-voted questions, demonstrating real-world know-how.

Build Trust **Authenticity & trust** among young technicians and working techs.

Amplify Reach **70,000+ young techs** nationwide in TechForce network. Answers boosted as collaborators on social channels.

Gain Insight It is interesting what brands have learned by flipping the script and having our users ask them questions.

Easy Flip Just provide the headshot and bio, **TechForce handles the rest.** You just need to answer top voted questions via email or quick recording.

Responses

We Send You Vetted Questions
TechForce pre-screens all questions and sends you all of them but also the top 5-10 worth answering.

You Choose What to Answer
Pick the questions that showcase your expertise best. No pressure to answer them all.

Answer Your Way
Quick phone video, email response, or recorded video, whatever works for you.

We Make It Look Professional
Our team handles editing, graphics, and posting across our 70K+ network.

How It Works

Pick Your Expert
Who on your team wants to answer tech's top questions?

Send Bio, Headshot & How You'd like to Respond
Bio: 250 Characters
Response: Video/Text Response

Time Block
Please work with TechForce on upcoming availability.
